Dated this the 19th day of December, 2007

JUDGMENT

The prayer is only to change the tariff from commercial under VII-A to VI-B which is for hostel. Petitioner's case is that new building is constructed for catering students and therefore tariff has to be one applicable under clause VI-B. W.P. is accordingly disposed of directing the fourth respondent to inspect the building on a working day, verify the activities going on there and convert the connection to the applicable tariff depending upon the nature of use of the building. Change of tariff should be done before raising next billing.
